## Christian Living

We, the Class of '52, dedicate our yearbook to the most important element in our daily life, being different. God has chosen us to be sheep in His flock. He has offered to guide us on earth and to share heaven with us. In return we offer our lives to Him. We will be different than the world in thought, word, and deed. We want our yearbook to portray our steps toward Christian living. We want our yearbook to be — different.

# Our Guide

We all realize that God has delegated some of His guiding powers to certain people of His church on earth. Here at LHS we may easily see the evidence of this delegated power in our principal. Dr. Lange has a tremendous responsibility, but has met the challenge successfully at every turn. The success achieved by our school in only six years of existence is a grand tribute to the work of our wonderful principal.

**Mr. Moldenhauer**  
*Assistant Principal*

As the size of any organization grows, so does the amount of work increase necessary to keep it going. For this reason, since LHS has experienced such a tremendous growth since its humble beginning six years ago, the Lutheran High Board thought it necessary to appoint an Assistant Principal to aid Dr. Lange in his administrative duties. After careful deliberation, the Board selected Mr. Moldenhauer, who assumed his office at the beginning of the '51-'52 school year. Besides his new job, Mr. Moldenhauer also continued teaching several religion classes.

What would we do without our office and its capable force? Bookkeeping, correspondence, daily bulletins—these and many other important tasks are well handled by the office staff. But most of us will remember room 103 for the many aspirins and band-aids we got there.

## Student Council

**EXECUTIVE COMMITTEE** M. Haake, L. Seibel, N. Young, M. Krehmeyer, Mr. Colba, W. Thomason, R. Thiemann, C. Westerhold.

To aid the administration of our school is the purpose of the Student Council. This group of elected student representatives, under the guidance of Mr. Colba and Mr. Pfitzer, help Dr. Lange and the other heads of LHS in the running of our school, particularly from the student end. Notable among the Council's work this year were such projects as Tours Day, the Convention of Lutheran High Schools' student councils, the Lake-Waterman stop sign, and many other small, but important details.

The aspiring reporters in 214 are proud of their *Courier*, especially since their work is now being printed for them on better quality paper. There are two journalism classes this year under the guidance of Mr. Grundmann. As the courier in olden times was a messenger of important news, the LHS *Courier* covers the important "goings-on", people, and sayings here at school

The journalistic abilities of many seniors are put to full use in the production of the school's annual yearbook, the *Crusader*. There is much work to be done in putting out such a fine book, such as selling, writing, typing, classifying and checking, photographing, and many other equal and hard tasks. These different jobs keep the approximately 25 people of the staff hopping from October to April. But that one day in May, when the books are given out, is well worth all the trouble.

The Mission Club, sponsored by Mr. Colba, is searching for service. The Good Shepherd Mission is the center of such activity every Saturday afternoon. Another club that makes itself very useful around school is the Library Assistants Club. Helping Mr. Sachtleben check books in and out, process the new books, keep the shelves in order, and trace overdue books, these students gain valuable experience which will help them in any walk of life. As there are only ten active members, there are no formal meetings of this club.

What would Lutheran High do without the help of those "projector" boys? They are very much a part of our daily school life; at least one is always on hand to show sound films or run off film strips to any class desiring "visual education." As a club these eighteen boys meet on Wednesday mornings before school with their sponsor, Mr. Sachtleben. At these meetings they discuss the problems of operating the two projectors, and with Mr. Sachtleben work up the schedule of films to be shown the following week.

*. . . and with our enthusiasm*

"Strike up the band!" Under the able leadership of Mr. Bayer, Lutheran's band played to enthusiastic listeners at football and basketball games. There's something about that peppy march music that can't help but give added stimulus to the cheering section. And then, there were the Clean-Up Parade and annual Band Concert too.

Along with the band at most of its performances are the six majorettes. During their practice sessions after school they work up routines and practice twirling. For public appearances these girls dress up in their maroon and white costumes and white boots, and "strut their stuff."

The "L" Club is an organization of LHS athletes who have been awarded at least one varsity sports letter. The 25 fellows are under the guidance of Coach Erwin Leimer. This group has regular meetings, plans various social events, and with the Athletic Committee carries out various projects to aid the Athletic Department.

This club was organized in the spring of the '50-'51 school year. With Mr. Messerli, this group of over 50 juniors plans to make a tour "out west" right before or following their graduation in the spring of '53. The students, headed by an executive committee of six, plan to visit such interesting places as Yellowstone, The Bad Lands, Mt. Rushmore, Rocky Mountain National Park, Pikes Peak, and many other places.

## "WESTWARD HO" CLUB

... strictly fun.

"Do si do your corner, now do si do your own!" One of the purely social organizations at LHS, the Quadrille Club was formed as a result of the square dance demonstration at the Fall Festival. The enthusiastic participants wanted to continue their "practice" sessions and found in Mr. Napier an equally enthusiastic sponsor. There are always new calls to learn and master, plus the old favorites to repeat over again.

Excitedly and eagerly about twenty boys and girls and Mr. Walwick plunged into the water of the Y.M.H.A. pool. Since that first meeting late in January these water lovers have spent an hour every week diving, practicing side strokes, or just floating. With a variety of aquatic skills and abilities both the beginners and advanced swim just for the fun of it.

The Future Homemakers of America, made up of some very active girls with Mrs. Vogelsmeier as their sponsor, meet twice a month. Just for the fun of cooking, they had a Taffy Pull, and just for fun, a Halloween Party. Unselfish in their activities, these girls eagerly gave their time and energy caroling and baking Christmas cookies. Their big annual event is the Mother-Daughter Banquet in spring.

Chow line

Every year, about mid-autumn, the LHS Boosters sponsor one of their two big events of the year, the Fall Festival. This year, despite inclement weather, about 2000 people showed up to enjoy the many activities provided them. The wonderful proceeds from this annual event are used to bolster the Student-Activities Fund, which aids such LHS activities as the band, sports, the Student Council, and the visual aids program.

The other big project of the Boosters is the Sports Festival held each year sometime in March. This year the big night was again held at Concordia Seminary Field House. As the name implies, all attractions centered mainly around sports. There were three boys' games, topped off by the Varsity-Alumni contest. The girls had their Senior-Junior game too. The added attraction was ping pong, featuring two famous champs from the St. Louis area. The Band and majorettes were there to keep us in a gay, festive mood. And the Boosters really did okay on providing refreshments. Everyone eagerly waits next year's event.

### CHEAPER BY THE DOZEN

A hilarious comedy *Cheaper By The Dozen* was put on about the middle of April by a cast of all juniors. As it is a popular, true-to-life play, the players had no trouble fitting themselves into their parts. Rehearsals were even more fun than the actual performance, and many behind-the-stage incidents will never be forgotten.

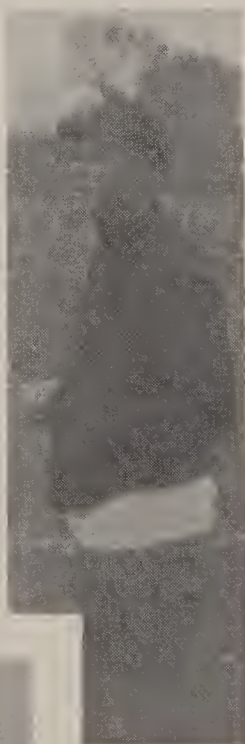

### JUNIOR — SENIOR BANQUET

The important social event of the year was the banquet which the juniors gave for the seniors. Held early in May, this formal affair took many weeks of planning and effort. Not only the committees were hard at work, but every upper-classman anxiously looked forward to the banquet. The result was a fine evening of entertainment and Christian fellowship in a highly social atmosphere.

# In Sports,

The highlight of the '51 season was the Accident Benefit game played with DuBourg. The result of the game was the only victory for LHS in a 1-6 football season. Despite a rather unsuccessful outcome, the team spirit remained high throughout the entire year. And the outlook for the coming years is bright with the response of the lower classmen coming out for the teams.

Despite bad weather during the opening week of practice, the baseball teams got off to a good start in an anticipated successful season. The teams this year were under the direction of new coaches. Mr. Doering, coach of last year's "B" squad, handled the varsity. Mr. Klinck, new to LHS, coached the "B" team. Following the opening weeks of practice, the fellows were well conditioned and high spirited for a 19 game schedule.

**"B" TEAM** Row 1: R. Emde, N. Brockmeier, manager, A. Huning, T. Meyer, S. Toelle, R. Meyer, G. Bigby. Row 2: A. Bloedel, R. Haake, J. Herman, R. Borgmann, R. Reagan, R. Vie, E. Stedman, J. **VARSITY** Row 1: R. Anderson, J. Kirchhoff, D. Luchsinger, L. Trapp, Mr. Napier, J. Lindner, J. Hauser, W. Anderson, D. Beck.

This was the third year of tennis for LHS, again under the coaching of Mr. Napier. From the response of the fellows, it looks as if tennis may become a major sport at LHS, for more than 25 tennis enthusiasts came out for the team. Mr. Napier cut his squad a slight bit and then divided it into two sections, the varsity and the "B" squad. The spirit was very high and the outlook very bright for a successful season.

**"B" TEAM** Row 1: R. Oppliger, K. Meyer, J. Lutz, J. Feigel, D. Klingler, J. Gabler, R. Hofstetter, A. Morrison D. Guehring, W. Thomason, Mr. Napier.

### G.A.A.

Again, with the beginning of the school year, sports-minded girls formed the '51-'52 G.A.A. In fall volleyball, the freshmen won the maroon division, the seniors the gold division. The senior gold played and won 3 inter-school volleyball games.

In the winter, Mrs. Metzler picked a varsity basketball team. Their record is 4 wins and 3 losses. The seniors won the annual Junior-Senior Sports Festival game.

G.A.A. has really proved a means for the girls to show their ability, sportsmanship, and Christian character.

# *The Crusader's Call*

I believe that as a Christian it is my privilege and duty to lead a God-pleasing life in thought, word, and deed, in gratitude for Christ's redeeming love for me. As a Christian teenager, I recognize that I am exposed to and weakened by sins of youth. As a Crusader I denounce these sins as enemies of Christ. I will put on the armor of God so that with His Word and help, I shall fight the sins of youth in my personal life, defeat them, and glorify my Lord and King.

## **THE ENEMY OF HONESTY**

Taking or misusing property that is not mine, securing information in a dishonest way, and untruthfulness in word and deed are sins and enemies of Christ and of all Crusaders.

Fight them!

## **THE ENEMY OF CHRISTIAN SPEECH**

Cursing, filthy language, slander, lying, and defiance of those in authority are sinful acts which are enemies of Christ and of all Crusaders.

Fight them!

## **THE ENEMY OF CHRISTIAN CONDUCT**

All individual and group actions which dishonor Christ such as disturbance in worship services, classrooms, and "aud sessions," rowdiness in public places, and immoral conduct are sins and enemies of Christ and of all Crusaders.

Fight them!

I believe this Crusader's Call can be effective in overcoming the enemy of Christ if every Crusader joins in this Crusade. Daily use of God's Word as the Crusader's weapon will give me the necessary courage and strength and will insure success. I must help each Crusader by giving and receiving Christian admonition in a spirit of Christian love.

**FORWARD THROUGH PRAYER IN CHRIST!!**
